The Chair shared the data needed to establish Credit and Grade equivalence for the courses undertaken by the IMI students seeking study abroad option for a term, at Neoma Business School under the student exchange program.

To maintain parity with the IMI system of calculating credits for each course and the existing IMI Relative Grading System used for student evaluation the members looked at the information sent by Neoma Business School International relations Office.

Information from Neoma Business School (NBS)

I. Credit Equivalence:

One course at NBS represents 30 class contact hours and is worth 5-6 ECTS about 100-120 hours of student load total)
